NO VERSE THIS MONTH

No verse this month. There wasn't time  
My muse is fled I couldn't rhyme:  
I couldn't find a thing to say.  
How should I start? "Another May . . . ?"

WHAT IS ATA? — The American Translators Association (ATA) was established in 1959 as a national professional society to advance the standards of translation and to promote the intellectual and material interests of translators and interpreters in the United States of America.
